

GFX-350

DISPLAY

The Trimble® GFX-350™ is the latest Android™-based, easy-to-use display from Trimble Agriculture. This cost-effective solution offers great functionality and a simplified installation process, providing access to autosteering and application control for

every farm. Add in Bluetooth® and Wi-Fi™ connectivity to go along with ISOBUS compatibility and any grower can tackle farming applications from every season across all equipment brands.

Key Features

- ▶ 17.8 cm high-definition colour touch-screen display
- ▶ Android-based operating system
- ▶ Rugged construction for everyday field use
- ▶ Compatible with NAV-500™ and NAV-900 guidance controllers
- ▶ ISOBUS task controller and universal terminal
- ▶ Control up to 2 channels and 24 sections
